It is I, your new arch-nemesis, "The Snacktaker"!
As the superest known villain, I demand that you fork over your precious treats!

Yeah, okay. So what's your super-power?
Huh?
Well I, uh... I take peoples' snacks.
That's sorta my thing.

I see. So you have no special powers. Not even pretend ones. How sad.
Yeah?! Well where's your stupid power, then?

Besides, I don't need any powers to steal your food right out from under your nose!
HEH HEH
Oh, I wouldn't be so sure about that.

You see, I do have superpowers. And no one can stand up against my Whirling Barknado attack!
FWOOOOSHH!
...Your whirling whatnow?
